## Preface

*In the year 1700, on October 16, a Congregational Church was organized in the town of Harwich, Massachusetts, later known as the North Precinct. The early records of the society have been preserved by the parish until the present time, but many of the pages having become discolored and much of the writing indistinct, it became necessary to reproduce the records if they were to be permanently preserved. Through the generosity of a member of the parish this is now done.*

*These accounts cover a period of ninety-one years, and report the activities of a parish located in a town which, since the year 1803, has borne the honored name of Brewster, commemorating Elder Brewster, of Mayflower fame. The historical value of these records would seem sufficient warrant for their preservation.*

*The present volume is an exact transcription of the contents of the original manuscript.*

October 16, 1700, to 1791 [1792]

O<sup>n</sup> O<sup>c</sup> 16. 1700. the church in Harwich consisting of eight persons was gathered, with (?) a (?) Chh Covenant, with their names therunto subscribed [*illegible*] followeth

We who are by nature children of wrath, even as others, and [*illegible*] unprofitable Servants of y<sup>e</sup> Lord [*illegible*] being sensible of our own inability also to make or keep covenant, disclaim-?] ing of all confidence in ourselves, and looking up to God in X for y<sup>e</sup> help of his holy spirit, in this solemn work, without which, we can doe nothing as we are,

We doe here in y<sup>e</sup> presence of y<sup>e</sup> high God, his holy angels and this [assem]bly, with Solemnity, fear and reverence, at this time make, or renew, our covenant with the Lord our God, and with one an other; and (1) We take [the] true God, Father; Son and holy Ghost one God in three persons to be our God, & promise y<sup>t</sup>, through his grace we will be his people. we give up our selves and ours unto y<sup>e</sup> Lord Jehovah (?) to be his only, wholly and forever. (2) We promise, Jesus Christ enabling, y<sup>t</sup> while (?) we live together we will be careful to observe y<sup>e</sup> rules of distrib-

utive justice rendering each to other y<sup>t</sup> honour respect and [lo]ue which y<sup>e</sup> gospel of Christ requires of us, according to y<sup>e</sup> relations in which we stand as an Ecclesiastick Society, and y<sup>t</sup> we will seek to preferue and promoue [*sic*] y<sup>e</sup> peace and growth of this Church of Christ, and carefully avoid whatever may tend to obstruct or hinder y<sup>e</sup> same. (3) we also promifs, Christ afsisting, y<sup>t</sup> we will attend y<sup>e</sup> rule in watching over one another, exhorting and admonishing one another as y<sup>e</sup> rule requireth, and [y<sup>e</sup>?] occasion shall be. We further promifs, still depending on y<sup>e</sup> grace and strength of X, to indeavour y<sup>t</sup> there may be a faithfull and through exercise of discipline, according to w<sup>t</sup> Christ has appointed to be observed in his House from time to time without respect to persons. (4) And su<sup>m</sup>arily, we covenant y<sup>t</sup> we will in all things indeavour to walk, both toward God and one toward another in sincerity, in loue and in peace as becometh y<sup>e</sup> gospell: seeking and indeavouring y<sup>e</sup> good each of other, y<sup>e</sup> restraint of sin, y<sup>e</sup> furtherance of y<sup>e</sup> work and cause of X amongue us; indeavouring by our good conversation to allure those y<sup>t</sup> are without, to a loue to, & choice of y<sup>t</sup> way of holines which we profess to walk in.

This Covenant we make ys day w<sup>th</sup> willing minds, and we bow our knees to the God and father of our Lord Iesus X y<sup>t</sup> by his grace inabling of us

we may not only make but keep covenant and be steadfast with him therin, unto his glory and y<sup>e</sup> good of us and ours with and after us, Amen.

This following confession of faith was at the same time made and subscribed.

We whose names are under-written being, by y<sup>e</sup> good and gracious providence of God so far favoured y<sup>t</sup> we are brought to y<sup>e</sup> day and time Set apart for our Solemn entring into Chh estate; And the Church of X being a City set upon an hill, which cannot be hid; We are desirous y<sup>t</sup> our Lights may so shine before men, y<sup>t</sup> our heavenly Father may be glorified: And particularly at this time y<sup>t</sup> the Light of Gospell-doctrine may shine forth in our solemn profefsion of y<sup>e</sup> same; We doe declare our full ascent and consent unto, and firm belief and perswasion of y<sup>e</sup> truth and certainty of y<sup>e</sup> Articles of the Christian Religion according to y<sup>e</sup> word of God, and as it is laid down in y<sup>e</sup> shorter Catechisme, comonly called the Assemblies Catechisme, and as it has been professed and held in the Churches which we haue been heretofore joyned unto; And, by

y<sup>t</sup> it is the duty of this chh to exercise a watch over and care of all the children of it so long as they continue within our reach; and in case they any of them fall into morall scandall, we own they ought to be laid under Admonition for it, unless their speedy repentance prevent the occasion for their being so.

The chh was herwith told y<sup>t</sup> it was an utter inconsistency to exercise discipline toward y<sup>e</sup> children in case of scandall, and yet to deny them the priviledge of baptisme for their children; and accordingly advised not to rest in an implicit faith respecting their children, but to study the the [*sic*] scriptures wherby to find y<sup>e</sup> extent of the Covenant relating to them.

(2) y<sup>t</sup> they, in case of any scandall y<sup>t</sup> any of y<sup>m</sup> fall into, doe give publick evidance of their repentance therfor. Seth Bangs and his Wife having fallen in to y<sup>e</sup>  
Sin of fornication, made their publick confesion  
on Aug: 27. 1727.

Previous unto it J said

J am apprehensive y<sup>t</sup> y<sup>e</sup> comonness of y<sup>e</sup> sin of uncleanness, together with y<sup>e</sup> publick countenance y<sup>t</sup> has been given to y<sup>t</sup> sin by toe many ministers and chhs both, may tend to render it lightly accounted off; its also possible y<sup>t</sup> Some may plead for it, on account of a pratended necessity. But let wretched men beware of making light of Gods comānds and threats, lest it be of them as in Ps: 50. 22. Now, Consider &c. men forget God while they seek to extenuate that sin, there being hardly any sin more severely thretned in the scripture then is y<sup>e</sup> sin of uncleanness.

The Confession followes.

We are sensible y<sup>t</sup> by our sin against y<sup>e</sup> 7<sup>th</sup> Comāndment we have given just provocation to y<sup>e</sup> great and all-seeing Lawgiver, who hates impurity and unchastity in heart and practice both; and does dreadfully chide sins of y<sup>t</sup> nature in particular, as in Eph: 5. 5. where its said y<sup>t</sup> no unclean person has any inheritance &c; we are also sensible of our having given just offence, and caused grief to, professors who have any fear of God in them, and particularly to this Chh to which one of us relates as a Lamb of y<sup>e</sup> flock. We doe accordingly now before God and his people manifest our hearty repentance for our sin, and would flee for relief to y<sup>e</sup> blood which cleanses,

as in 1 John 1. 7. and beg forgivnefs at y<sup>e</sup> hands of God and all his people; and now intreat his pps prayers (& by his grace inabling shall add our own indeavours) y<sup>t</sup> we may live holily and unblamably before Him the refidue of our lives.

Herupon the Chh voted to forgive thefe Perfons, & to accept them into the armes of their charity, on condition of a following of pure conversation.

W<sup>m</sup> Maricks desire of baptis<sup>m</sup> was signified to y<sup>e</sup> chh on June 16. 1728. they were also minded that he was more then barly adult when his mother was admitted to full com<sup>u</sup>nion; y<sup>t</sup> y<sup>e</sup> chh were to be as eyes to their Pastor, so far as y<sup>t</sup> if they knew anything in his conversation y<sup>t</sup> might be a just barr to my procedure they should signifie it. I also added y<sup>t</sup> they were minded of these things y<sup>t</sup> so there might be no uneasiness afterward in case he should be admitted to Baptisme.

No objection was made by any one, and accordingly, he having professed subjection to y<sup>e</sup> New Covenant, was admitted to y<sup>e</sup> Ordinance of Baptise [*sic*] the next Lords day.

This vote they

passed, tho it was openly evident (1) y<sup>t</sup> she was not published in Town according to law. (2) y<sup>t</sup> she went out of y<sup>e</sup> county to Boston to be married (3) y<sup>t</sup> she ran away with y<sup>e</sup> man in the night unknown to her Parents. (4) that her Parents, by their countenances and exprefions seemed greatly grieved at w<sup>t</sup> she had done. (5) y<sup>t</sup> one of them, when the sin was publickly taken notice of from Exod: 20. 12. was so overwhelmd at w<sup>t</sup> her child had done, y<sup>[t]</sup> she was not able for some time after y<sup>e</sup> publick worship was over, to goe out of the meeting house; for she owed to y<sup>e</sup> Pastor she did not except against w<sup>t</sup> was delivered.

After y<sup>e</sup> chh had past y<sup>e</sup> above mentioned vote, they were told y<sup>t</sup> they had prevented a publick procefs respecting that Person, yet on supposition of another instance of this kind, they ought to be more thoughtfull & ponderus then now they seemed to have been respecting w<sup>t</sup> they had voted.

. . .

On Aug: 2. 1730. at y<sup>e</sup> conclusion of y<sup>e</sup> ordinance of y<sup>e</sup> Lords supper; having given to y<sup>e</sup> chh y<sup>e</sup> reasons why I spoke to y<sup>m</sup>, and at y<sup>t</sup> time, and not to y<sup>e</sup> congregation, I minded y<sup>m</sup> of their duty to suppress y<sup>e</sup> prophane Roues (?) of children and youth between meetings, in y<sup>e</sup> place of worship, observing to y<sup>m</sup> y<sup>t</sup> y<sup>e</sup> generality of families y<sup>t</sup> attended publick worship with us, were as to both or one parent at least, of y<sup>e</sup> Chh; told y<sup>m</sup> of the evill practice of a noise in y<sup>e</sup> streets, going from publick worship, y<sup>e</sup> like to which in populus Boston itself I never observed; laid before y<sup>m</sup> their duty (as being numerus, and so capable of it) to unite together for y<sup>e</sup> choice of such select men (if such could be had) as would take care to have such persons to keep publick houses, as would be conscienciously carefull to keep good orders for y<sup>e</sup> suppression of the ruining sin of excessive drinking. And then added y<sup>t</sup> I had little expectation of any good coming by w<sup>t</sup> I had said to them; and y<sup>t</sup> J should not have said w<sup>t</sup> J did were it not y<sup>t</sup> an Infinite Person whome J knew

to be then present had comānded me to warn my pp, and to doe it whether they would heir or whether they would forbear, yea tho they should be rebellious; and y<sup>t</sup> if J did not warn y<sup>m</sup> it should be on this penalty y<sup>t</sup> he would require their blood and y<sup>e</sup> blood of their children at my hand.

When also I publickly observ<sup>d</sup> that the increas-  
ing iniquity of this nature, as to morall causes  
might be justly supposed to arise (1) from the evi-  
dent failure of family government among Chrif-  
tians of this age (2) from a wicked practice of  
young people in their courtships, which J had  
born my publick testimony against, and (3) from

the countenance y<sup>t</sup> has of late been given by many ministers and Chhs to the openly scandalus sin of uncleanness in a neighbouring Pastor, viz: M<sup>r</sup> Osborn.

Oct: 17. 1731. My Neighbour G. Weeks, a mem-  
ber of my chh, the last year undertook to be a  
Preacher to y<sup>e</sup> Jndians without ever saying a word  
to his pastor about it, or any other, so farr as ap-  
pears, except some of the Jndians. being blam<sup>d</sup>

by me for his precipitancy and rashness; he pretend-[ed] repentance; and yet, of late, without taking any notice of his Pastor he sets up for a Preacher to a part of my Chh and Congregation; yea tho J expressly advised him, as his pastor, by a note J sent him, not to presume on doing of it. Certainly neither he nor they that unite with him in this evill way can have any ground to expect a blessing. Yea has he not herby exposed himself to publick censure?

If we Consider

1. he has no more, if so much as barly comon education.

2. y<sup>t</sup> y<sup>e</sup> making of ministers of y<sup>e</sup> lowest of y<sup>e</sup> pp is in Scripture difallowed, as being a reproach to y<sup>e</sup> sacred office, 2 Kings 17. 32. yet he being evidently such an one, has thrust himself into y<sup>e</sup> ministry.

3. the comission in Mat: 28. 19 cannot be given to pp in comon, but to some distinguishingly qualified persons, as is there evident. accordingly, for persons, on conceit of their own fitness, or with y<sup>e</sup> concurrence of a few private Christians only, to set up for preachers, must needs be inexcusable presumption.

4. for one of y<sup>e</sup> members of my chh to take upon him, without my leave, yea against my declared mind, to preach to a pp of whom J have y<sup>e</sup> pastorall charge, as this man has done, is (1) expressly cros to that comand in Heb: 13. 17.

(2) its a violation of his covenant ingagment when received into our chh, which obliges him to submit to y<sup>e</sup> Government &c. (3) it tends to absolute confusion in all our instituted chhs; for, if he may take one part of my Flock to preach to, another may as well take another, and another a third; and w<sup>t</sup> then becomes of y<sup>e</sup> Pastorall office into which, y<sup>e</sup> ministers are in a publick & solemn manner brought? Yea where is any flock for them to feed, if others may act according to this mans disorderly and aspiring humour and practice!

But be it noted, y<sup>t</sup> tho he was invited, and did accept to preach to a part of my Congregation, and, as I was told, actually did it; yet on receiving my Note, he since tells me he did then forbear. and whether he did it since, at another House, as is said I doe not yet learn.

The 1<sup>st</sup> Chh in Harwich Met to hear a Charge exhibited against Sister Rachel Gray from Miriam Gray, wherein Miriam Complains y<sup>t</sup> Rachel S<sup>d</sup> She (y<sup>e</sup> s<sup>d</sup> Miriam) had taken a false Oath: To hear y<sup>e</sup> Evidences & do w<sup>t</sup> was tho't Proper. The Chh Met also to Consider whether S<sup>d</sup> Rachel was worthy a Chh Censure on y<sup>e</sup> Acc<sup>t</sup> of Pushing Lydia Gray out of y<sup>e</sup> Pew and hunching Miriam Gray in Time of divine Service in y<sup>e</sup> Meeting House sometime in July 1762: y<sup>e</sup> S<sup>d</sup> Rachel having desired y<sup>e</sup> Chh to Consider this \* Article & also to Consider whether Miriam Gray was not to blame for Neglecting y<sup>e</sup> Rule of our Saviour in Mat 18. 15; &c —And likewise to hear a Complaint with y<sup>e</sup> Evidences to Support it against Sister Elizabeth Bangs exhibited by Sister Miriam Gray, in which

\* Originally written "these."

is Set forth that Elizabeth S<sup>d</sup> y<sup>t</sup> Miriam had taken a false oath.

After having heard for 4 Hours a great Number of Evidences & heard y<sup>e</sup> Parties fully y<sup>e</sup> Whole was Referred by y<sup>e</sup> Chh to a Com̄ittee to Report with y<sup>e</sup> Pastor w<sup>t</sup> appeared proper for y<sup>e</sup> Chh to do.

The Comittee was y<sup>e</sup> 3 Deacons Brother Tho:<sup>s</sup> Winslow & Brother Benj<sup>n</sup> Bangs. Who Met Aug<sup>st</sup> y<sup>e</sup> 3<sup>d</sup>.—And their Report was Com̄unicated to y<sup>e</sup> Chh Aug<sup>st</sup> y<sup>e</sup> 7<sup>th</sup> for their Consideration, y<sup>t</sup> y<sup>y</sup> might be in a Reddiness to act when y<sup>e</sup> Chh was Called together for y<sup>t</sup> End. At y<sup>e</sup> same time a Paper was Comunicated to y<sup>e</sup> Chh in which Rachel Gray desired y<sup>e</sup> Chh to See if Miriam was not worthy of a Chh Censure for not taking y<sup>e</sup> Gospel Rule in Some other Cases y<sup>n</sup> that Referred to in her former Request. & also to Consider y<sup>e</sup> falsity of Miriam in Saying y<sup>t</sup> Tho:<sup>s</sup> Gray was not in y<sup>e</sup> Pew when Lydia was pushed.

Aug<sup>st</sup> y<sup>e</sup> 8. The Chh Met & Voted

Y<sup>t</sup> y<sup>e</sup> Evidences to Convict Sister Elizab<sup>th</sup> Bangs of Saying y<sup>t</sup> Sister Miriam Gray had taken a false oath were insufficient & y<sup>t</sup> they be Mutually Advised to y<sup>e</sup> Exercise of Charity for each other.

Y<sup>t</sup> Sister Rachel Gray is not worthy a Chh Censure on y<sup>e</sup> Acc<sup>t</sup> of pushing Lydia Gray out of y<sup>e</sup> Pew. Then Tho:<sup>s</sup> Winslow Jun<sup>r</sup> was Called & as

his Evidence did not agree with Lydia Grays about y<sup>e</sup> 2<sup>d</sup> Presentment & he could not Say when he Saw what he testified Voted

Y<sup>t</sup> The Evidences to Convict Rachel Gray of Pushing or hunching Miriam Gray are insufficient for her Conviction—Voted also

Y<sup>t</sup> Altho' it appears to this Chh y<sup>t</sup> Sister Rachel Gray is not worthy a Chh Censure for pushing Lydia Gray (y<sup>e</sup> offence being of Such \* a Nature as not to be worthy Such a Censure) yet as Sister Rachel Gray hath Charged Miriam Gray with taking a false oath, for this offence she ought to make a public Confession. & voted

Y<sup>t</sup> Miriam Gray is not worthy an Ecclesiastical Censure for Neglecting y<sup>e</sup> Rule in Mat 18. 15. So far as Relates to y<sup>e</sup> offence of Rachels Saying that Miriam took a false oath

After w<sup>ch</sup> y<sup>e</sup> Chh Chose a Committee to Report what might be proper for y<sup>e</sup> Chh to do relating to Sister Rachel Grays Complaint against Miriam, & also to report What particular Confession Rachel Gray ought to make. The Committee appointed was Deacons Mayo & Snow Col<sup>n</sup> Winslow Joseph Hopkins & Benj<sup>n</sup> Bangs.

October 5. The Chh Met & diverse Evidences were called to prove y<sup>t</sup> Miriam Gray was Under oath When She S<sup>d</sup> Tho<sup>s</sup> Gray was not in y<sup>e</sup> Pew when Lydia was pushed out. W<sup>t</sup> they declared

\* The original words "So Small" were scratched out and the word "Such" written above.

Made it evident y<sup>t</sup> Miriam s<sup>d</sup> this whilst y<sup>e</sup> Court was in Being, whilst Lydia was Under Examination & thus voted by y<sup>e</sup> Chh

At y<sup>e</sup> same Meeting Nath<sup>l</sup> Lincoln was appointed by y<sup>e</sup> Chh to be of y<sup>e</sup> Co<sup>m</sup>ittee Chosen at y<sup>e</sup> last meeting (in y<sup>e</sup> Room of Benj<sup>n</sup> Bangs who was absent). And y<sup>e</sup> Report of y<sup>e</sup> Co<sup>m</sup>ittee was Communicated y<sup>e</sup> next Sabbath to y<sup>e</sup> Chh for their Consideration.

At a Chh Meeting on April 4. 1764. Voted after a Debate on y<sup>e</sup> Premises y<sup>t</sup> it appears to y<sup>e</sup> Chh that Miriam Gray was under oath w<sup>n</sup>. She declared y<sup>t</sup> Tho<sup>s</sup> Gray was not in y<sup>e</sup> Pew.

Voted y<sup>t</sup> it appears to y<sup>e</sup> Chh (by y<sup>e</sup> Evidence & Rachel Grays Conversation) y<sup>t</sup> S<sup>d</sup> Rachel in Charging Miriam Gray with taking a false oath had Reference to y<sup>e</sup> Substance of Miriam's Evidence, as well as to Miriam's Saying y<sup>t</sup> Thomas Gray was not in y<sup>e</sup> Pew. — The Report of a Co<sup>m</sup>ittee of Oc<sup>t</sup> 5. 1763. Read & in part received & in part rejected by y<sup>e</sup> Chh as appears by Minute on S<sup>d</sup> Report. — After w<sup>ch</sup> Miriam Gray was Called upon to give Satisfaction for Saying when under oath y<sup>t</sup> Tho<sup>s</sup> Gray was not in y<sup>e</sup> Pew, which she did by declar[ing] y<sup>t</sup> She was Sorry for w<sup>t</sup> She had S<sup>d</sup> & asked forgiveness, but in y<sup>e</sup> Time of it really Tho't as She s<sup>d</sup>; w<sup>ch</sup> was voted a Sufficient Satisfaction by the Chh.

had absented from y<sup>e</sup> Co<sup>m</sup>union on y<sup>e</sup> Acc<sup>t</sup> of a Vote pased by this Chh April 4. 1764.

Sister Miriam Gray

We have Considered the Reason given by you for Absenting from our Co<sup>m</sup>union in y<sup>e</sup> Special Ordinances of the Gospel, & as we believe you are Conscientious therein think it proper to Observe y<sup>t</sup> altho' a Major Part of the Chh did Apprehend you to be under oath when you Said Tho<sup>s</sup> Gray was not in the Pew, yet Several of y<sup>e</sup> Chh did not think thus, neither do they at present. And as a Chh we are now ready to declare that when we heard what you had to Say relating to the Affair we were fully Satisfied of your Innocency of y<sup>e</sup> least Design of Saying, much less of Swearing what was false. And this we think was manifested by us in our willingness that you Should have Co<sup>m</sup>union with us altho' you Never made a Confession of any Scandal; & as a farther Evidence thereof this Message Shall be put on Record, hoping you will return to our Co<sup>m</sup>union, as we are & ever have been in full Charity with you.

Same Day Voted by y<sup>e</sup> Chh y<sup>t</sup> Rachel Gray may have a Copy of all y<sup>e</sup> Evidences which were y<sup>e</sup> Grounds of y<sup>e</sup> Chhs Censure of her for Charging Miriam Gray with taking a false oath.
